RE: Jones v. Campbell et al

Sub: updates

Case No. 2:24-cv-10683-LJM-PTM

I'm writing this letter because this said facility. Has been tampering with my mail. and I have sent things out. And have not received anything back in response. So I have to check because they are trying to silence me by any means. So please keep me informed if possible thank you. Deputy Warden Howard is using all tactics to keep me silenced. All forms of retaliation.
